## **Attachment 1      Benefits for directors and other members**

Directors' out-of-pocket expenses reasonably incurred in the course of carrying out their duties, can already be authorised by the Board. However, the proposed resolution in the interests of transparency makes disclosure of some of the types of expenses likely to be incurred.

To the extent that the resolution involves the payment of certain specific out-of-pocket expenses, the resolution will acknowledge that expenses of the types proposed are prima facie reasonable and there is or will be a current resolution of the Board authorising the payment of expenses of the kind listed.

To the extent that the proposed expenses may involve the provision of benefits that are not in the form of money or a cheque and are provided to a specific class of member, that is permissible under current legislation only if there is a current authorisation from a general meeting.

The resolution also deals with the proposed non-cash benefits for only some members or for directors and their partners, where the benefit will not be equally available to all members. The Club is not permitted to provide any benefit to different classes of members without a current authorisation from a general meeting.

To the extent that the proposed expenses might otherwise be regarded as a profit, benefit or advantage that is not offered equally to every full member and able to be authorised as above, they are still permissible if the Authority is of the opinion that they are reasonable in the circumstances. The resolution seeks to acknowledge the types of expenses that are regarded by the members as being prima facie reasonable in the circumstances.

The proposed resolution takes into account the still changing circumstances of the Club including the further increase in the size and complexity of the Club's operations.

The present Board unanimously recommend the proposed resolution.

Examples of benefits at the expense of the Club that will be covered by approval of the proposed resolution are:

- (a) *reasonable food and refreshments; parking (deemed provided at no cost); uniform clothing; and communication and information technology equipment and facilities;*

- (b) *director education and training (including memberships of other relevant bodies);*
- (c) *expenses in connection with representation of the Club, or attendances (including with partner, where the Board deems appropriate in the interests of the Club) at events, professional conferences and seminars, or on study tours (including where the Board deems appropriate in the interests of the Club, internationally);*
- (d) *expenses in connection with representation of the Club, or attendances at events, professional conferences and seminars, or on study tours - payment of an allowance of up to the amount prescribed per day by the Australian Tax Office as a reasonable travel and meal allowance expense for the respective year, to each director who accepts a request from the Board to participate, to cover reasonably anticipated incidental expenses that will not otherwise be paid or borne by the Club.*
- (e) *reimbursement of out-of-pocket expenses reasonably incurred by a director in travelling between his or her usual residence or a place of work and the Club's premises for the purposes of attending any meeting of the Board or a Board Committee (including where appropriate in the interests of the Club and the circumstances permit, reimbursement for motor vehicle use on a kilometrage basis at the rates approved from time to time by the Australian Taxation Office as reasonable for taxation purposes);*
- (f) *dedicated allocated parking places for directors, Life members and possibly other officers of clubs and Intra Clubs.*

Benefits for particular classes of members, proposed to be approved, are:

- (b) *at the expense of the Club hosting and providing facilities including food and beverages (other than free of charge liquor) for wakes for former Life members, directors or other individuals who have materially contributed to the Club - where a director*
